

Provider Bid Packs

Purchase bid credits to compete for service jobs

Bid credits are used to submit proposals on member service requests. You only spend credits on jobs YOU choose to bid on. No monthly fees, no contracts - just pay for what you use.

How Bidding Works

- Each bid submission costs one credit from your purchased pack
- Credits never expire - use them at your own pace
- Win rate varies by service category and your reviews
- Unused credits are refundable if your account is suspended
- Founding Providers receive unlimited bidding during pilot period
- Higher tier packs include priority support
