✓ Direct access to give feedback

**First Mover Advantage:** Build your reputation and reviews before the market gets crowded.

## What Is My Car Concierge?

MCC is a platform connecting vehicle owners with professional automotive service providers. We're not a replacement for your business - we're a tool to help you grow it.

### Your New Business Asset

- ✓ **New revenue channel** without advertising costs
- ✓ **Fill unused capacity** on slow days
- ✓ **Pre-qualified customers** ready to book
- ✓ **No contracts** or exclusivity required
- ✓ **You choose** which jobs to accept

**Think of it this way:** Every customer you bring onto MCC becomes part of a shared pool. When they need a service you don't offer, another provider wins. When other providers' customers need YOUR specialty, you win.

### How It Works

- 1 Create a provider account
- 2 Get verified by MCC
- 3 Receive service requests
- 4 Bid on jobs that fit your shop
- 5 Complete work & get paid

## How Bidding Works

Providers purchase bid credits to compete for jobs. You only spend credits on jobs YOU choose to bid on.

### BID PACK PRICING

Pack	Bids	Price	Per Bid
Jumper Cables	1	\$10	\$10.00
Starter	5	\$25	\$5.00
Standard	15	\$60	\$4.00
Professional	50	\$150	\$3.00
Enterprise	100	\$250	\$2.50

### ESCROW PAYMENT PROTECTION

**Guaranteed Payment:** When a member accepts your bid, funds are held in escrow. You complete the work, the member confirms, and you get paid. No chasing invoices. No bad checks.

**Platform Fee:** 7.5% on completed jobs (waived for Founding Providers during pilot)
