# What Is My Car Concierge?

A Marketplace Connecting Vehicle Owners with Service Providers

## The Concept

My Car Concierge is a platform that connects vehicle owners with automotive service providers. Members post what they need, providers bid competitively, and members choose the best offer. Fair pricing through competition, vetted providers, and complete payment protection.

## How The Platform Works

## Your Role as a Founder

### For Members (Vehicle Owners)

- ✓ Post any vehicle service need
- ✓ Receive competitive bids from vetted providers
- ✓ Compare prices and reviews
- ✓ Payment protection with escrow
- ✓ Satisfaction guaranteed

### For Providers (Auto Shops)

- ✓ Receive qualified leads directly
- ✓ Bid on jobs they want
- ✓ No advertising costs
- ✓ Guaranteed payment
- ✓ Build reputation with reviews

### Why Providers Need Bid Credits

Providers purchase bid credits to submit bids on service requests. Each bid costs 1 credit. They buy credit packs regularly to keep bidding on new jobs. You earn 50% of every pack they purchase – forever.

# Why Members Join

## How Provider Commissions Work

- ✓ You refer a provider to join MCC
- ✓ They sign up using your unique referral link
- ✓ They purchase bid credit packs to bid on jobs
- ✓ You earn 50% of every pack they buy
- ✓ This continues for as long as they're on the platform
- ✓ No cap on earnings – unlimited potential

## Popular Bid Pack Prices

PACK NAME	PRICE	YOUR 50%
Dipstick (50 bids)	\$200	<b>\$100</b>
V8 (140 bids)	\$400	<b>\$200</b>
Racing Team (385 bids)	\$800	<b>\$400</b>
Championship (15,400 bids)	\$10,000	<b>\$5,000</b>

## Why This Works

Providers need bid credits continuously to win jobs. Active providers buy new packs monthly. One referred provider can generate \$100-\$500+ per month in commissions for you – every month, for years to come.
