The screenshot shows the MyCar Concierge platform homepage with a dark background. At the top left is the logo. To its right are navigation links: Services, For Providers, About, Features, and a language dropdown set to English. A banner below the navigation bar says "Now accepting members". The main headline reads "List your needs. Compare bids. Choose the best provider." Below the headline is a subtext: "Post your automotive service requests and let vetted providers compete for your business. You choose the best service at the most reasonable price." A blue button at the bottom left says "Install My Car Concierge" and "Add to home screen for quick access". A small "Install" button with an "X" is next to it. A yellow circular icon with a white speech mark is in the bottom right corner. At the very bottom center is the text "Platform Homepage".

What Is My Car Concierge?

A Marketplace Connecting Vehicle Owners with Service Providers

The Concept

MCC is a platform that brings automotive service requests directly to you. Members post what they need, and you bid on jobs you want. No advertising costs, no cold calling—just qualified leads delivered to your dashboard.

How It Works

Welcome back
Here's what's happening with your garage.

Shared Customer Pool

Every customer you bring onto MCC becomes part of a shared pool. When they need a service you don't offer, another provider wins. When other providers' customers need YOUR specialty, you win.

Ratings & Reputation

Build Trust, Win More Jobs

5□

Rating System

4.0+

Minimum Standard

100%

Verified Reviews

How Ratings Work

- ✓ Members rate after each job
- ✓ 5-star scale with comments
- ✓ Only verified transactions
- ✓ Public profile display
- ✓ Response option for providers

Why It Matters

- ✓ Higher rating = more visibility
- ✓ Reviews build customer trust
- ✓ Quality providers stand out
- ✓ Repeat business opportunity
- ✓ Competitive differentiation

Quality Standards

Providers must maintain a 4.0+ star average (with 3+ reviews) to remain active. This protects marketplace quality and ensures members have confidence in every provider.

First Mover Advantage

Founding Providers can build their review base before the market gets crowded. Early positive reviews compound over time and establish your reputation.
